ABOUT US

Electromariner is the largest dealer in Marine Electrical Equipment in India. We have specialised ourselves in the sales and services of all kinds of marine equipment including marine LED lights, marine general purpose lights, external lights, glass fittings, junction boxes, plugs, sockets, solenoid valves and anchors, etc.

Our company started off as Kanishka Electricals Equipment back in 2018. With the growth in demand and our network expansion, we rechristened ourselves as Electromariner in 2022.

WHAT DO WE DO?

Our clientele ranges from small fisherfolk to adventure sports companies to even multi-national marine trading companies. We take a lot of pride in providing all our customers with the best equipment whenever they need it.

OUR PROMISE

We provide the best marine electrical equipment in the world to the people in India. We source our products directly from manufacturers & also have our own brand products. We sell OEM products at affordable prices.

At Electromariner, we are committed to provide you with the best marine electrical equipment in the world. If you have any specific requirements that is not mentioned above, please feel free to connect with us. We will do our best to fulfil your needs.

PRODUCT CATEGORIES

MARINE LIGHTS

We have all kinds of marine lights for your boats, yachts and ships. Yacht reading LED lights, LED downlight, cabinet lights, marine navigation signal lights, anchor lights, etc.,

PLUGS & SOCKETS

You can get seashore connector sockets, industrial plugs, panel mounted angle sockets, panel mounted straight sockets, etc.

SOLENOID VALVES

We also provide high quality brass electric solenoid valves for your boats, yachts and other marine vessels.

ANCHORS

Corrosions resistant Danforth anchors, Hot-tip Galvanised A type Grapnel Anchors, Delta Anchors, and all other kinds of anchors are available with the Electromariner.

MARINE LIGHTS

YACHT LED READING LIGHTS

Flexible Reading Light Two

Part Number - EM01D51

Material	Aluminium
Cover Colour	Chrome / Nickel / Black
Colour Temperature	3000K / 6000K
Voltage	10-30V
Switch	Touch Switch

Flexible Reading Light

Material	Aluminium
Cover Colour	Chrome / Nickel / Black
Colour Temperature	3000K / 6000K
Voltage	10-30V
Switch	Touch Switch

Part Number - EM01D57

Flexible Reading Light with Night Lamp Function

Part Number - EM01D63

Material	Aluminium & Acrylic
Cover Colour	Silvery
Colour Temperature	3000K / 6000K
Voltage	12-24V
Switch	Touch Switch

MARINE LIGHTS

LED DOWNLIGHT / CABINET LIGHTS

LED Downlight (15 LEDs)

Material	SS 304
Cover Colour	Silvery
Colour Temperature	3000K / 6000K
Voltage	12-24V
Power	3W

Part Number - EM01T-03

Cabinet LED Light - 2 Pieces

Material	Aluminium
Cover Colour	Silvery / White
Colour Temperature	3000K / 6000K
Voltage	12V
Power	3W

Part Number - EM02T-03

LED Downlight (12 LEDs) 2 Pieces

Material	Aluminium
Cover Colour	Silvery / White
Colour Temperature	3000K / 6000K
Voltage	12V
Power	3W

Part Number - EM03T-03

LED Fixture Light

Material	Aluminium
Cover Colour	Silvery / White
Colour Temperature	3000K / 6000K
Voltage	12V
Power	3W

Part Number - **EM04T-03**

LED Downlight (9 LEDs)

Material	Aluminium
Cover Colour	Silvery / White
Colour Temperature	3000K / 6000K
Voltage	12V
Power	3W

Part Number - **EM05T-03**

MARINE LIGHTS

MARINE NAVIGATION SIGNAL LIGHTS

Marine Navigation Light

Part Number - **EM011142-12**

LED	Yes
Colour	White
Mount	Fixed
Voltage	12-24V
Power	2.5W

Marine Navigation Light 2

LED	33
Colour	Transparent
Protection Degree	IP66
Voltage	12-24V
Power	5W

Part Number - EM011041-12

MARINE LIGHTS

ANCHOR LIGHTS

Starboard Light

LED	40
Colour	Green
Protection Degree	IP66
Voltage	12-24V
Power	5W

Part Number - EM01-1YB

Port Light

LED	40
Colour	Red
Protection Degree	IP66
Voltage	12-24V
Power	5W

Part Number - EM02-1YB

Masthead Light

LED	40
Colour	Transparent
Protection Degree	IP66
Voltage	12-24V
Power	5W

Part Number - **EM03-1YB**

Stern Light

LED	40
Colour	Transparent
Protection Degree	IP66
Voltage	12-24V
Power	5W

Part Number - **EM04-1YB**

MARINE LIGHTS

LED COURTESY / STEP LIGHTS

Step Light

Material	PC & SS
Cover Colour	Silvery
Colour Temperature	White, Blue, Green
Voltage	12V
Power	0.2W

Part Number - **EM01W01**

LED Courtesy Light

Material	PC & SS
Cover Colour	White, Black
Colour Temperature	3000K / 6000K
Voltage	12V
Power	2.2W

Part Number - EM02W10

LED Step Light 2

Material	PC & UV
Cover Colour	Silvery
Colour Temperature	Warm White (2900-3000K)
Voltage	12V
Power	1W

Part Number - EM03W05

MARINE LIGHTS

LED CEILING LIGHTS

LED Ceiling Light

Material	PC
Mount	Flush Mount
Mount	Surface Mount
Voltage	12V
Power	1W

Part Number - EM01041

MARINE LIGHTS

WATERPROOF UNDERWATER LIGHTS

Waterproof Underwater Light Round

Part Number - EM0606-LS

Material	SS 316
Water Proof	Yes
Protection Degree	IP68
Voltage	12V
Power	6W

Waterproof Underwater Light Strip

Material	PC
Water Proof	Yes
Protection Degree	IP68
Voltage	12V
Power	6W

Part Number - EM0103-LP

PLUGS AND SOCKETS

INDUSTRIAL PLUGS

16A Industrial Plug 2P+E (220-240V)

Part Number - EM-0131

Current	16A
Plug Configuration	Silvery
Protection Degree	IP67
Voltage	220-240V
Earth Position	6H

32A Industrial Plug 2P+E (220-240V)

Current	16A
Plug Configuration	2P+E
Protection Degree	IP67
Voltage	220-240V
Earth Position	6H

Part Number - EM-0231

16A Industrial Plug 3P+N+E 220-240V/380-440V

Current	16A
Plug Configuration	3P+N+E
Protection Degree	IP67
Voltage	220-240V/380-440V
Earth Position	6H

Part Number - EM-0151

32A Industrial Plug 3P+N+E 220-240V/380-440V

Current	32A
Plug Configuration	3P+N+E
Protection Degree	IP67
Voltage	220-240V/380-440V
Earth Position	6H

Part Number - EM-0251

PLUGS AND SOCKETS

PANEL MOUNTED ANGLE SOCKETS

16A Panel Mounted Angle Socket 2P+E (220-240V)

Current	16A
Plug Configuration	2P+E
Protection Degree	IP67
Voltage	220-240V
Earth Position	6H

Part Number - EM-3131

32A Panel Mounted Angle Socket 2P+E (220-240V)

Current	32A
Plug Configuration	2P+E
Protection Degree	IP67
Voltage	220-240V
Earth Position	6H

Part Number - EM-3231

16A PM Angle Socket 3P+N+E 220-240V/380-440V

Current	16A
Plug Configuration	3P+N+E
Protection Degree	IP67
Voltage	220-240V/380-440V
Earth Position	6H

Part Number - EM-3151

32A Panel Mounted Angle Socket 3P+N+E 220-240V/380-440V

Part Number - **EM-3251**

Current	32A
Plug Configuration	3P+N+E
Protection Degree	IP67
Voltage	220-240V/380-440V
Earth Position	6H

PLUGS AND SOCKETS

PANEL MOUNTED STRAIGHT SOCKETS

16A Panel Mounted Straight Socket 2P+E (220-240V)

Current	16A
Plug Configuration	2P+E
Protection Degree	IP67
Voltage	220-240V
Earth Position	6H

Part Number - **EM-4131**

32A Panel Mounted Straight Socket 2P+E (220-240V)

Part Number - **EM-4231**

Current	32A
Plug Configuration	2P+E
Protection Degree	IP67
Voltage	220-240V
Earth Position	6H

16A Panel Mounted Straight Socket 3P+N+E 220-240V/380-440V

Current	16A
Plug Configuration	3P+N+E
Protection Degree	IP67
Voltage	220-240V/380-440V
Earth Position	6H

Part Number - EM-4151

32A Panel Mounted Straight Socket 3P+N+E 220-240V/380-440V

Current	32A
Plug Configuration	3P+N+E
Protection Degree	IP67
Voltage	220-240V/380-440V
Earth Position	6H

Part Number - EM-4251

SOLENOID VALVES

BRASS SOLENOID VALVES

1/4" Brass Electric Solenoid Valve

Material	Brass
Working Medium	Air, Water, Oil, Gas
Type	Normally Closed
Voltage	24DC/12DC
Pipe Diameter	1/4"

Part Number - EM-SV-22

3/4" Brass Electric Solenoid Valve

Part Number - EM-SV-23

Material	Brass
Working Medium	Air, Water, Oil, Gas
Type	Normally Closed
Voltage	24DC/12DC
Pipe Diameter	3/4"

1/2" Brass Electric Solenoid Valve

Material	Brass
Working Medium	Air, Water, Oil, Gas
Type	Normally Closed
Voltage	24DC/12DC
Pipe Diameter	1/2"

Part Number - EM-SV-21

ANCHORS

Danforth Anchor

Material	SS 316
Weight	15kg, 20kg, 30kg

Part Number - **EMA101**

Hot Dip Galvanised A Type Grapnel Anchor

Material	SS 316
Weight	10kg, 15kg

Part Number - **EMA102**

Delta Anchor

Material	SS 316
Weight	10kg, 15kg, 20kg

Part Number - **EMA103**
